

Mori

Biography

Mari is an Italian singer songwriter who has always been immersed in music . She graduated with a degree in Technical Communications and Music Marketing and she produced and presented the program on the Italian based web radio 'RAZ' called 'Pick Out'. The program was created around Mari's favourite trip-hop and electronic bands: Air, Portishead, Massive Attack, Thievery Corporation, Goldfrapp and Zero 7, one of whose members she would work with in the future. Mari worked with various music magazines where she had opportunities to interview numerous international musicians and singers. One of these was Mozez, the singer, songwriter and producer perhaps best known as the singer for the British down tempo group Zero 7.

With him Mari wrote her album 'Gentle Beauty', a collection of 12 songs, produced by his record label Numen Records.

Free is the name of the second single from the album and has been re-mixed by the UK producer/ writer/ remixer Raj Gupta (Gorillaz, Shirley Bassey, Roxy Music, Freddy Mercury, etc).

The next single "Blue Is My Favourite Colour " feat Mozez will be released in summer 2013.

'I believe that there should be no rules to follow when you write a song. There is a timeless dimension which contains all the notes and all the combinations, past and yet to come, and if you're lucky, it chooses you and gives you a gift, a song'.
